## REPORT OF THE TOWN AUDITOR

Windsor, Maine, Feb. 18, 1945.

To the Inhabitants of the Town of Windsor:

At the request of your municipal officers I have examined the books and accounts of the town of Windsor for the municipal year ended Feb. 12, 1945.

As is usual in such audits I examined some accounts in detail and others in sample checks, but in all instances I found the accounts of your officers to be in a most excellent condition and so far as could be ascertained, entirely proper and correct as to form and final entries.

You may recall that last year I called your especial attention to the very comfortable cash position attained by the town up to that time. This year you will note that the cash reserve has been increased over last year by approximately another thousand dollars. Of this reserve six thousand dollars is invested in U. S. Government Bonds, and some five thousand dollars plus is in cash in the bank.

It would seem wise and desirable at this time to keep the available cash in the bank, for general purposes of house-keeping expenditures during the next year, thereby obviating the necessity of hiring any funds in anticipation of the collection of taxes, and the very great likelihood of the need for additional liquid funds for post-war activities, such as expansion of the school program, re-construction of roads, new equipment, etc.

Respectfully submitted,

EARLE R. HAYES,

Auditor of Accounts.

## TOWN WARRANT

To Charles D. Jones, a Constable of the Town of Windsor,  
County of Kennebec and State of Maine,

Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the Town of Windsor, in said county, qualified by law to vote in town affairs to meet at Windsor Town Hall, in said town on Monday, the twelfth day of March, A. D. 1945 at ten o'clock in the forenoon, then and there to act on the following articles, namely:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose all necessary town officers for the ensuing year and determine their compensation.

Art. 3. To hear and act on the reports of the Municipal Officers.

Art. 4. To see if the town will vote to raise and appropriate the sum of \$9,442.00, more or less, for elementary and secondary schools including teachers' wages, fuel, janitor service, conveyance, textbooks, lights, tuition and school supplies for desk and laboratory use. Budget Committee recommends \$8,500.00.

Art. 5. To see what sum of money the town will vote to raise and appropriate for repairs on school houses. Budget Committee recommends \$100.00.

Art. 6. To see if the town will appoint a committee consisting of the school committee and three additional members to investigate the possibility of establishing a consolidated elementary school in the town to replace the schools now being operated and to instruct the committee to report their findings at a later regular meeting or at a special meeting called for the purpose if in their opinion conditions warrant it.

Art. 7. To see what sum of money the town will raise and appropriate or transfer from other accounts to a school building fund.

Art. 8. To see what sum of money the town will vote to raise and appropriate for the support of poor. Budget Committee recommends none.

Art. 9. To see what sum of money the town will vote to raise and appropriate for making and repairing roads and bridges and patrol maintenance for the ensuing year. Budget Committee recommends \$2,000.00.

Art. 10. To see what sum, if any, the town would recommend to take from the joint state aid account for the purpose of applying bituminous surface treatment to State Aid Roads, in excess of the requirements of Sec. 2, Chap. 132, P. L. of 1935. Budget Committee recommends none.

Art. 11. To see what sum, if any, the town would recommend to take from the third class apportionment for the purpose of applying bituminous surface treatment to Third Class Roads, in excess of the requirements of Sec. 1, Chap. 207, P. L. of 1939. Budget Committee recommends none.

Art. 12. To see if the town will vote to raise and appropriate the sum of \$390.00 for the maintenance of improved sections of Third Class Roads, or to be used in conjunction with the State apportionment for the construction of Third Class Roads. Budget Committee recommends \$390.00.

Art. 13. To see what sum of money the town will vote to raise and appropriate for cutting bushes on State, State Aid and Third Class Roads. Budget Committee recommends \$250.00.

Art. 14. To see what sum the town will vote to raise and appropriate for winter roads. Budget Committee recommends \$2,000.00.

Art. 15. To see if the town will vote to purchase a truck for use on town roads and raise and appropriate money for the same.

Art. 16. To see what action the town will take regarding the establishing of a suitable place for housing highway equipment.

Art. 17. To see what sum of money the town will vote to raise and appropriate for A. D. C. (Dependent Children). Budget Committee recommends \$50.00.

Art. 18. To see if the town will vote to raise and appropriate the sum of \$25.00, more or less, for G. A. R. Memorial Services. Budget Committee recommends \$25.00.

Art. 19. To see what sum of money the town will vote to raise and appropriate for town officers' compensation. Budget Committee recommends \$1,200.00.

Art. 20. To see what sum of money the town will vote to raise and appropriate for expenses of the Town Hall. Budget Committee recommends \$100.00.

Art. 21. To see if the town will vote to raise and appropriate the sum of \$35.00 for public health nursing in Windsor, said sum to be expended by the State Bureau of Health, for local services. Budget Committee recommends \$35.00.

Art. 22. To see what sum of money the town will vote to raise and appropriate for Street Lights. Budget Committee recommends \$234.00.

Art. 23. To see what sum of money the town will vote to raise and appropriate for advertising the natural resources, advantages and attractions of the State and Town. Budget Committee recommends \$100.00.

Art. 24. To see whether or not the town will vote to raise and appropriate the sum of \$50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chap. 5, Sec. 82, of the Revised Statutes of Maine. Budget Committee recommends none.

Art. 25. To see if the town will vote to authorize the Selectmen to issue town notes for a time not exceeding one year and for an amount not exceeding \$5,000.00, the avails to be used in current expense of the town, providing the same becomes necessary during the ensuing year.

Art. 26. To see if the town will vote to allow discount, and at what rate, on taxes paid before July 1, 1945. Budget Committee recommends  $1\frac{1}{2}\%$ .

Art. 27. To see if the town will vote to require any person having an unpaid tax in said town, working on highways, to leave at least 50% of their wages with the Collector or Treasurer to apply on said tax.

Art. 28. To see if the town will vote to authorize the Selectmen to accept money or legacy in trust for the benefit of public cemeteries or lots therein.

Art. 29. To see if the town will vote to authorize the Selectmen to sell and dispose of all tax titles held by the town, on such terms as they deem advisable, and to execute deeds for such property.

Art. 30. To see if the town will vote to authorize the Selectmen to rescind any amounts appropriated by the town for State Highway construction in excess of the amount required to meet the State apportionment.

Art. 31. To elect all other town officers, choose any committee, hear the report of any, and act thereon.

Hereof fail not and have you there this warrant with your doings thereon.

The Selectmen give notice that they will be in session at the above named hall, and place of meeting for the purpose of correcting the list of voters, on Monday the Twelfth day of March, A. D. 1945 from nine o'clock in the forenoon until the polls are closed.

Given under our hands at Windsor this 17th day of February, A. D. 1945.

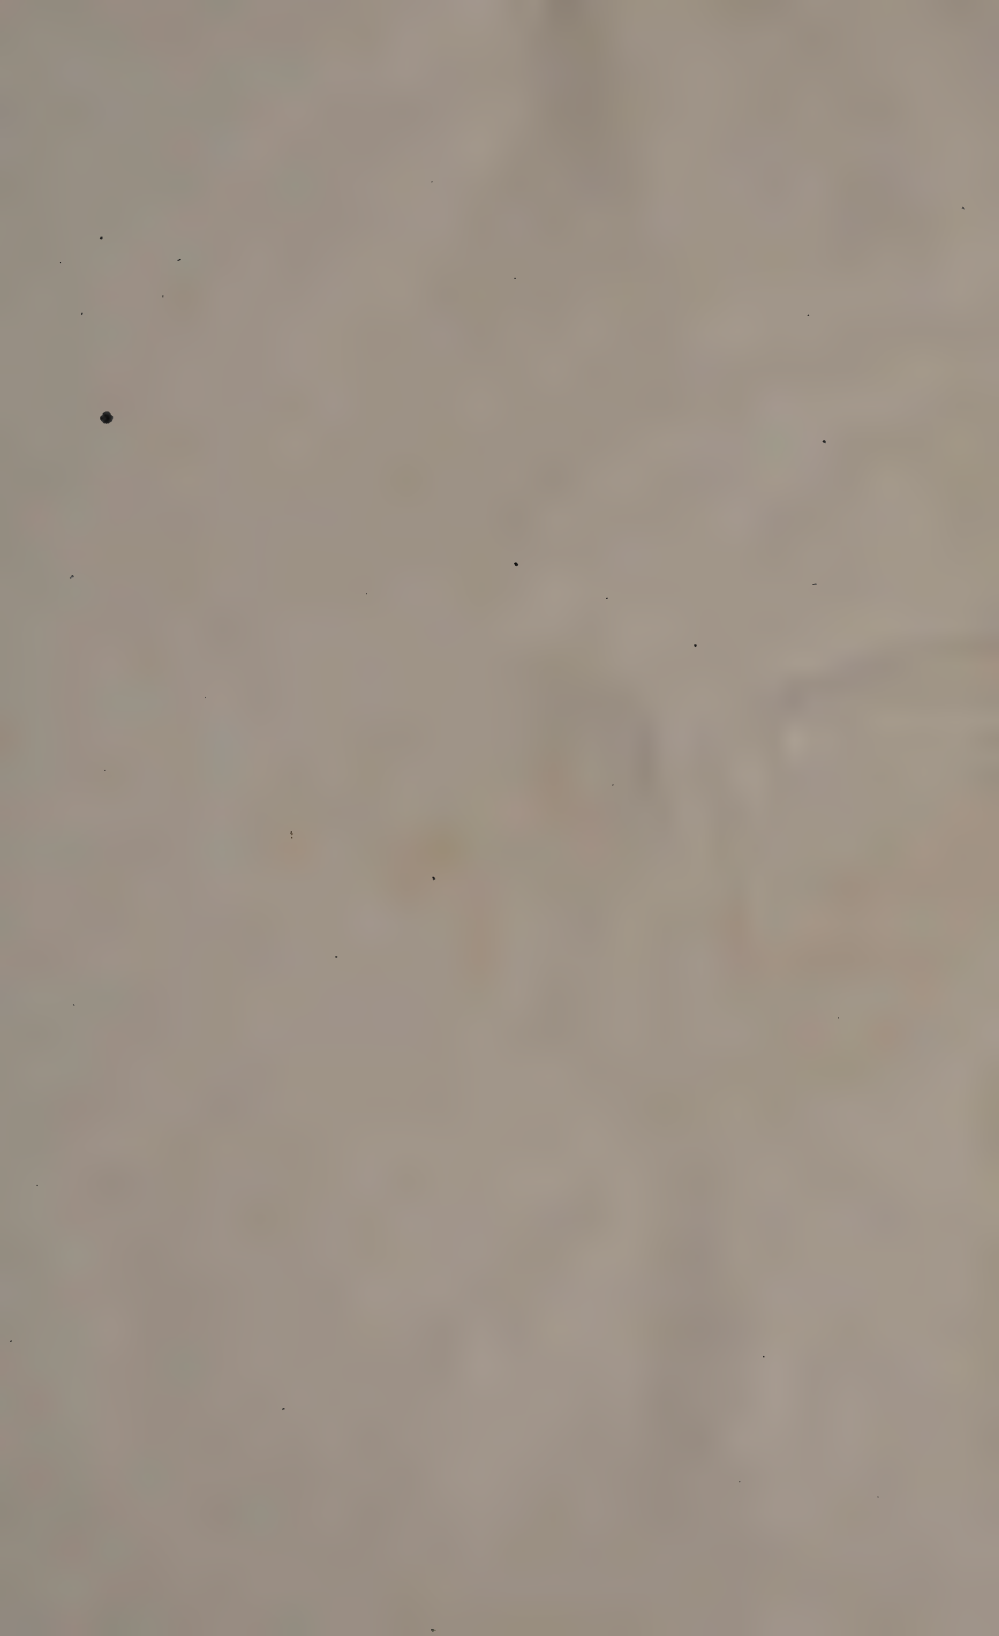

FRANCIS C. COLBURN,  
H. E. CHOATE,  
D. F. MILLETT,

Selectmen of Windsor.

Selectmen of Windsor

**REPORT OF THE TOWN AUDITOR**

Windsor, Maine  
February 16, 1946

To the Inhabitants of the Town of Windsor:

For more years than I care to recall, I have audited the books of your municipal officers. I have felt for some years that it is high time that some outside auditor should be employed, in complete justice to both the town officials and the town's people. I expressed this thought this year, both to your Board of Selectmen and the State Department of Audit. Your municipal officers, however, insisted that I do this year's audit. The State Department agreed, apparently, by virtue of furnishing me with the necessary forms, so I am once more submitting my report covering the financial transactions of your municipal officers.

I find that the books of accounts of your several officials are in excellent condition. All entries, footings, etc., appear to be in proper order; the necessary receipts, vouchers, and warrants are on file; and so far as can be ascertained, by the usual processes of a public audit, comply with all requirements of law.

Your town is still in a most enviable position regarding cash surplus. While the cash reserve has been reduced during the current year, the amount of such cash reductions has been invested in road and other equipment, which in turn has reflected savings in other directions.

Two outstanding examples are the purchase of a Dodge truck, to be used primarily in connection with snow removal, and the purchase of the building and lot, which for some years has been rented for the housing of the town snow removal equipment. It is to be hoped that with the acquisition of this property the town's people will authorize the Selectmen to build a proper and adequate building to house all of the equipment now owned by the town and at the same time provide for future and necessary expansion and additions to such equipment.

Your municipal officers deserve high commendation in having brought your town affairs through the war period with such excellent results. My report would fail in one particular if I did not call to the attention of the citizens of Windsor, the great debt they owe to the unfailing devotion to duty and public service of C. D. Jones, who this year is retiring after serving as Collector of Taxes and Town

Treasurer of the Town of Windsor for many years. Charles Jones has served his town long and well. His cash remuneration has been small, his responsibilities large, yet he had discharged his trust with unfailing courtesy, diligence and success, and we as citizens of Windsor hereby acknowledge our debt of gratitude to a retiring public servant who for so many years has won and retained the esteem and respect of his fellow Townsmen.

In closing, what I hope may be my last annual audit report to the town of Windsor, I cannot refrain from suggesting that some of the quite sizable reserve that your officials have accumulated for you over the past few years, may be used in the immediate future for two major purposes, as I see them; 1st, the construction and maintenance of a proper and adequate central school building; and 2nd, the construction and maintenance of a suitable town garage in which will be constantly housed and maintained all of the town's road equipment. I know of no better purpose to which a good share of the surplus in the town treasury can be put.

The only Exhibits and Schedules printed herewith in the Annual Report are the Comparative Balance Sheet, the Summary of Accounts and Proof of Net Gain. The other audit data is on file with the Board of Selectmen and may be seen by any interested citizen of the town.

Respectfully submitted,

EARLE R. HAYES

Auditor of Accounts

### REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE AND SUPERINTENDENT OF SCHOOLS

To the Citizens of Windsor:

The teachers are to be highly commended for their excellent work in the schools. They have been very cooperative in their part of the educational program and their untiring efforts are highly appreciated. They have spent long evenings of preparation for the purpose of giving Windsor pupils the best education possible under existing conditions. They have kept their class rooms and schools in a fine orderly manner. Their devotion and loyalty to their jobs, to their pupils and to the school officials merits worthy attention. With most of the school rooms filled to capacity and a teaching load of all eight grades the teachers have done as fine a job as is humanly possible.

The salaries of all teachers in the town are now \$1,080.00 per year which allows the town \$300.00 for each teaching position as long as State requirements are met. Last fall the teachers voted to have the salary paid over a twelve months period. This procedure gives each teacher \$90.00 per month for the entire year.

After a careful consideration of English text books the committee adopted the new Stoddard Bailey and Lewis series published by the American Book Co. A set of these books has been placed in the fifth and sixth grades and it is planned to purchase more of these texts for other grades next year. These books have a very attractive presentation

of the subject and they place special emphasis on the correct use of English grammar. We feel that it is very important for pupils to have a fine training in the fundamentals of English if they are to complete successfully their high school years.

Due to the uneven teacher load in the Windsor schools the committee voted to transfer one grade from the Corner School to So. Windsor. The purpose of the change was to give each one of the teachers approximately thirty pupils. With all eight grades and a registration much larger than thirty the teacher does not have time to give each pupil the individual attention that is required for good instruction.

A local teacher association has been organized in the School Union to bring about a better understanding of school problems. Two meetings have been held in Windsor town hall with speakers from the State Department of Education. These meetings are open to any interested citizens of the union who wish to attend. The time and place of future meetings will be announced in the daily newspaper.

We wish to thank the teachers and parents for their co-operation and help throughout the past year.

Respectfully submitted,

A. H. SNOW,  
Supt. of Schools

**REPORT OF THE TOWN AUDITOR**

Windsor, Maine  
Feb. 18, 1947

To the Inhabitants of the Town of Windsor:

At the request of your Municipal Officers I have examined the books of account and other records of the Board of Selectmen, Assessors, Town Treasurer, Tax Collector, Clerk and Supt. of Schools.

After completing the usual checks and tests made in such an audit, I found all of the records to be in a most excellent condition, both as to neatness in appearance and soundness as to finances.

Your town is in the best financial position it has ever been in its history, with all bills paid and cash reserve or its equivalent of better than \$12,000.00.

The Comparative Balance Sheet, Summary of Accounts and Proof of Net Gain are attached hereto and made a part of this report. Other Exhibits and Schedules connected with the audit are filed with your Selectmen and may be seen by any interested citizen at any time.

Respectfully submitted,  
EARLE R. HAYES,  
*Auditor of Accounts.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of Windsor:

You will note from the Annual School Report that the Town is receiving an equalization of \$2,204.00 from the State for 1946 as compared to \$481.00 which was the amount received from this source in 1945. This equalization is apportioned each year to the towns in the state, wherein the rate of taxation in excess of the average rates of the towns of the state fails to produce a school revenue sufficient to provide adequate funds for the maintenance of a minimum educational program.

New English textbooks have been purchased for the seventh and eighth grades of all schools in town. These books are of the Stoddard Bailey Lewis series, the same as were

purchased for the fifth and sixth grades last year. The new demands placed by high schools and colleges for an excellent foundation in English are becoming increasingly important.

At our last local Teachers' Association meeting we listened to a lecture on "Improved Methods of Teaching Arithmetic". This presentation was very ably given by Miss Sylvester who is a graduate of Boston University. She suggested the New Living Arithmetic as a book that would meet the present demands in the subject. Some of these books have been placed in the schools this year and others will be purchased in 1947.

Careful appraisal of the adequacy of the schools to meet the needs of the pupils and the welfare of the nation is a continuing year by year responsibility of every citizen in the community. It is a responsibility that cannot be lightly passed by at any time. It is only through careful planning and cooperation that we can achieve the ultimate demands placed on modern education in this changing age.

We wish to thank the teachers and parents for their kind cooperation throughout the past year.

Respectfully submitted,

A. H. SNOW,  
*Superintendent of Schools.*

**REPORT OF THE TOWN AUDITOR**

Windsor, Maine  
February 16, 1948

To the Inhabitants of the Town of Windsor:

At the request of your Municipal Officers I have examined the books of account and other records of the various officials of the Town, and after making the usual checks and tests conducted in the course of an annual audit, I find the said records to be in the usual excellent condition.

The operations of your Town during the municipal year ended February 10, 1948 reveal a sound financial situation and reflect credit upon your Municipal Officers.

The Comparative Balance Sheet, Summary of Accounts and Proof of Net Gain are hereto attached. Other detailed schedules developed during the audit are on file in the office of the Selectmen.

Respectfully submitted,

EARLE R. HAYES,

Auditor of Accounts

## REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE AND SUPERINTENDENT OF SCHOOLS

The school maintenance appropriation for 1947 was \$8,500.00 and the State valuation for 1946 was \$396,000.00. Dividing the appropriation by the valuation we arrive at a local tax rate of .02146. Since this figure is below the average tax rate of the other towns in the State, Windsor will not receive equalization for the year 1948. From this figure also is obtained the amount of money that the town will receive per teaching position for this year. The tax rate of .02146 will place the town in the 21 to 23 mill bracket which means that we will receive \$670.00 per teaching position in December of '48. This subsidy is paid only when teachers that are certified receive \$1,500.00 per year, three year normal graduates \$1,600.00 per year and four year college graduates \$1,700.00 per year.

The committee voted to suspend the Erskine School for one year. If the school is to remain closed for a longer period of time it must be done by a vote of the citizens at town meeting. Money was raised to run five schools in the town at the last town meeting. However with only 13 pupils to register in the Erskine School the committee voted to suspend the school for two reasons: first, the change would afford larger classes than would have been possible with 13 pupils in one school; second, the change would save approximately \$450.000 of school money. The cost to operate the Erskine School for the past year would have been as follows:

Cost of teacher \$1,500.00 less \$670.00 (subsidy)	\$830.00
Four cords of hard wood at \$15.50 per cord	62.00
Three cords of slabs at \$7.00 per cord	21.00
Janitor at \$1.50 per week for 36 weeks	54.00
Electric lights	12.00
<b>Total cost to the town</b>	<b>\$979.00</b>

Whenever any school is closed in a town and the teaching position not established elsewhere, the State will pay one-half of the cost of conveyance, as long as it does not exceed the State's allotment for that teaching position. The cost of transporting the pupils from the Erskine School to the Neck School for one year will be \$1,080.00. The State will pay one-half of this amount or \$540.00. Therefore the saving to the town will be \$979.00, cost to the town for operating the Erskine School, less \$540.00, the amount paid by the town to transport the pupils or \$439.00.

It might be supposed that the loss of equalization by the town for 1948 was caused by closing the Erskine School. Equalization is figured by dividing the amount raised at town meeting, for school maintenance, by the State's valuation. Since sufficient money was raised to run the Erskine School for this year the fact that the school was suspended had no bearing on the loss of equalization.

The present tuition law provides for a \$150.00 maximum for high school students. One high school in this area is now charging \$133.75 per year and in all probability will increase the following school year. We now have 33 pupils from the town attending high school and only 4 of this number will graduate in June. There are at present 9 pupils enrolled in the eighth grade. Therefore we shall have to pay tuition on approximately 38 pupils when school opens next September.

We wish to thank the parents and teachers for their kind cooperation throughout the year.

Respectfully submitted,

A. H. SNOW,

Supt. of Schools
